

## WE1504C & WE1504CK Oil-less

### Silent portable air compressor

The new Model WE1504C / CK single-stage direct drive oil-less air compressor from Puma Air features a 1.5-hp motor that delivers 5.4 cfm @ 40 psi or 4.0 cfm @90 psi.

This professional grade compressor features:

1. Quiet operation: only 70 dB.
2. Heavy duty pumps and induction motor, operating at 1,750 rpm.
3. Retractable handle and two 10" wheels for great mobility.
4. Dual position operability — unit can be operated or stored either horizontally or vertically.
5. Key components are well protected with caged frame.
6. A removable hose reel can be easily mounted to the top of the compressor. (WE1504CK standard, WE1504C optional)
